

Ceiling lamp

HARPER – 622910532

incl. 1x SMD LED, 42W · 1x 5700lm, 3000K

- Dimmable via switch
- Not suitable for external dimmer
- Wall- & ceiling mounting
- IP20
- Not dimmable

The Harper ceiling light promises cosiness and elegance in your home with its modern design. The combination of the materials wood and metal underlines the elegant living style and, with the five square light elements, provides pleasant lighting above the dining table or in the living area. In addition, the luminaire is equipped with a SWITCH dimmer, allowing the brightness to be graduated from 100%, to 50% and to 25% via a conventional light switch. The natural wood and the metal in black matt make the lamp a real jewel in your living room, which is guaranteed to be an eye-catcher. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

Material construction

Metal · Black mat

Product dimensions

Width: 115cm
Height: 7cm
Depth: 44cm
Weight: 2,45kg

Technical data

Light source: SMD – LED (integrated)
Watt: 42W
Lumen: 1x 5700lm
Kelvin: 3000K
Color rendering (CRI): > 80 CRI
Lifetime: 25000H
Switching cycles: 15000x ON/OFF
