excl. 1x E27 · max. 40W

excl. 1x E27 · max. 10W

- **Cable switch**
- **IP20**
- **Lamp(s) not included**

Natural materials are becoming increasingly popular and bring cosiness into the home. In rattan weave, the STRAW table lamp sets warm accents and creates an atmospheric environment with its soft light emission. The natural look in light brown, fits many modern interior styles and provides a lot of charm. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.

Material construction
