The three light circles of the GROOVY ceiling light conjure up that certain something in your living area. The fine glass elements within the circles provide an elegant touch and become a true decorative element on your ceiling. An integrated SWITCH dimmer allows the brightness of the built-in LEDs to be regulated in three stages via a light switch. The perfectly shaped look in matt black blends into many interior styles thanks to its simplicity. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
