

Ceiling lamp

TAURUS – 652910232

incl. 2x SMD, 5W · 2x 450lm, 3000K

- **Separately switchable**
- **Ceiling mounting**
- **IP20**
- **Not dimmable**

The spotlights of the TAURUS series offer a wide range of possible applications and cleverly set the scene in living spaces. The spots can be installed either recessed or surface-mounted luminaires and consist of two light sources, a main light and an outer light ring, which can be switched separately. When used as a built-in light, a ceiling cut-out of 170 mm is required. Whether in the hallway, living room or bedroom, the modern luminaire ensures optimum lighting conditions and individual lighting accents. In addition, the spotlight can be rotated and individually aligned. The simple matt black colour design allows easy integration into existing colour concepts. The lamp also features a modern LED technology, which is characterised by excellent lighting quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and are environmentally friendly.

Material construction

Metal · Black mat

Product dimensions

Width: 18cm
Height: 10cm
Depth: 8cm
ceiling cut-out: 17cm
Weight: 0,9kg

Technical data

Light source: SMD – LED (integrated)
Watt: 5W
Lumen: 2x 450lm
Kelvin: 3000K
Color rendering (CRI): > 80 CRI
Lifetime: 20000H
Switching cycles: 10000x ON/OFF
