Natural materials, such as wood and fabric, have a welcoming effect and create an atmosphere of well-being. The ELMAU series of luminaires brings a cosy charm and a pleasant lighting atmosphere into your home. Whether in the hallway, living room or bedroom the vintage design ceiling luminaire offers a wide range of applications. The light design in wood and beige fabric can be easily combined with various colour and furnishing concepts. The use of an LED light source is recommended for energy-saving lighting. These are an excellent alternative to conventional halogen lamps and represent a high quality of light together with energy savings of up to 80%. With LED lighting, you also benefit from a long service life and low heat generation, while at the same time protecting the environment.
